

# Expectation from Instagram Data Exports

Dear participant,

This survey seeks to understand what insights you expect to gain when accessing your personal data through GDPR data exports on Instagram. Under the GDPR, Article 15, you have the right to request and download a copy of your personal data from various platforms, which includes the information they collect about you.

This survey is being conducted jointly by academic researchers from XYZ. Your valuable opinion expressed in this survey may contribute to important research findings. So, we request you to read the instructions carefully and answer all the questions judiciously.

Results from the survey may be published in a research forum. The insights will be published in aggregate forms (such as averages and/or totals). We will neither publish nor share any information which can disclose any of your confidential information. All information will be protected to the greatest extent allowed by law, and data will be kept secured during and after the survey.

🔴⚠️ Please do not use ChatGPT or any other large language models (LLMs) to generate your responses. We are specifically seeking your personal thoughts. If we determine that your responses are AI-generated, you may not be eligible for compensation. ⚠️🔴

Selecting the "Agree" button indicates the following:

1. You have read the above information.
2. You voluntarily agree to participate in the "Expectation from Instagram Data Exports" survey.

---

\* Indicates required question

1. I consent; begin the survey. \*

*Mark only one oval.*

☐ Yes

2. Please enter your Prolific ID here \*

---

## Background on GDPR Chapter 3: Rights of the Data Subjects

Under the GDPR Chapter 3 (Article 15), users have the right to request and download a copy of their personal data from various platforms, which includes the information they collect about you.

Let's take Instagram for an example. If you have been using Instagram short form video platform, you can go and request your data on the Instagram App and get a snippet of your data.

For the process of how to request your data and how a standard Instagram data looks like please refer to the information at this given url: [here](#)

3. Before taking this survey, were you aware of having such rights to access your personal data gathered by different online platforms? \*

*Mark only one oval.*

☐ Yes

☐ No

4. If yes, how did you know about these rights? \*

31. Question - 3

## Summary & Self-Assessment

In this section, please reflect on how well you think you can understand and interpret your data on your own.

32. Would you like to gain any other insights from your Instagram data?

*Please write each insight / question with a line break. As shown below:*

*What websites did I visit the most?*

*When did I last visit a site?*

---

---

---

---

---

33. Have you ever requested your personal data from instagram? \*

*Mark only one oval.*

☐ Yes

☐ No      *Skip to question 37*

## Summary & Self-Assessment (Continuation)

In this section, please reflect on how well you think you can understand and interpret your data on your own.

34. What was the reason for requesting data from instagram? \*

---

35. Roughly, what percentage of questions that you mentioned during the survey were you able to infer from your data? \*

*Mark only one oval.*
